	APPROVAL OF STATE ENGINEER
	This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following
iimi	This permit to change the place of use of the waters of an underground source as heretofore granted under Permit 51196 is issued subject to the terms and conditions imposed in said Permit 51196 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.  This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.  The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.  The total combined duty of water under Permits 52622, 52623, 52624, 52625, 52626, 52627, 52628, 52629, 52630, 52631 and 52632 shall not exceed 533.37 million gallons annually.
The	amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to
exce	ed 0.5 cubic feet per second , but not to exceed 117.95
	million gallons annually.
Wor	k must be prosecuted with reasonable diligence and be completed on or before March 23, 1989
Proc	of of completion of work shall be filed before April 23, 1989
App	lication of water to beneficial use shall be made on or before March 23, 1990
Proc	of of the application of water to beneficial use shall be filed on or before
	in support of proof of beneficial use shall be filed on or before
Com	pletion of work filed MAY 9 5 1989  IN TESTIMONY WHEREOF, I PETER G. MORROS,  State Engineer of Nevada, have hereunto set my hand and the seal of my
